The Holy Odu is a collection of Odus from the Ifa Literary Corpus . These sacred teachings have been passed down orally for thousands of years only to be first written about in the 20th century. This collection contains a small sampling of the entire corpus with 2 ese (verses) for each of the 16 major Odus and 1 ese (verse) for each of the minor Odu. This collection is enhanced by practical commentary for contemplation and interpretation for each of the 256 odu. Awo Fategbe' further expands this book by offering several chapters on Yoruba Theology and the Interpretation of the verses. Iyanifa Fayeley' Faseguntunde offers an introduction on African philosophical thought.

Not a collection of verses but you use

By [Marcos A. M. Oliveira](#) on July 23, 2016

Format: Paperback **Verified Purchase**

In fact it was a good surprise. I use it a lot

Really you will not find a "collection"of verses as is in the title, you will find few, it is a poor source for verses. If you are looking for verses try other book. However it has for each Odù a short description, yes, very short, but it helps a lot, better than cuban tratados which are very bad. Then it was not what I expect but it is very good and I use it. The bad thing is it is expensive and has a lot of pages. Also it is organized by Apola, not a problem but not so usual

All practicing Awos should have this book.

[Comment](#)Was this review helpful to you? [Report abuse](#)**Commonly known verses...**By [Catalina C. Smith](#) on July 6, 2015Format: Paperback [Verified Purchase](#)

I am always seeking the written knowledge of IFA and this book is very good. Unfortunately, there are a lot of Odus in this book in which the "ese" of many can be found in other literature. I only wish that these had been of a "rarer" quality... the road less traveled.

Does not help to Practice Ifa

I was no satisfied with the book. There are no stories, ebos, & Ifa advices for each Odu.

The only information available in the book were Yoruba prayings for each Odu. [Read more](#)
